LETTER OF COMMITMENT

DARTMOUTH – <Johns Hopkins University, School of Medicine > COLLABORATION PROGRAM ANNOUNCEMENT NO. SEED NETWORKS FOR THE HUMAN CELL ATLAS

This letter confirms that the appropriate program and administrative personnel of the Trustees of Dartmouth College have reviewed the proposal entitled “Practical search and analysis with low-dimensional representations of the HCA” being submitted in support of the above-referenced program. The Dartmouth Principal Investigator on this proposal is Thomas Hampton. The performance period is 06/01/2019 to 05/31/2022 and the estimated cost is \$316,720 which includes appropriate direct and indirect costs.

The current negotiated F&A rate agreement can be found on our website at: <http://www.dartmouth.edu/~osp/resources/profile-fa.html>.

Dartmouth’s support of the application assumes that the negotiated flow-down requirements and organizational regulations will be appropriate for an educational and research institution.

Please contact our office directly at (603) 646-3007 or sponsored.projects@dartmouth.edu with any questions. Thank you for your time and consideration.

Sincerely,

Renee Brown
Sr. Grants Officer
